

# 'Your preferred Peony grower'

2024 - 2025

One of Green Works  
Peony fields

Patio Peony 'Rome'

'Belgravia'

'Tree Peony Baby Girl'

itoh 'Bartzella'

Part of the Green Works team  
in one of our Peony fields

## Green Works, your preferred peony grower

The grower specialized in young planting material for Peonies, Ranunculus, special pot plants and summer cut flowers.

When you receive Peonies from Green Works, they have our Peony Quality Seal. Green Works standards exceeds that of the Naktuinbouw (the National Plant Protection Organisation) because our plants are:

- \* We do not cut any flowers from our fields, so all energy goes to the roots
- \* Young and healthy plant material, all from 2 year crop
- \* Checked 3 times in the field for viruses and true to name
- \* No nematodes (because of Green Works Care™ treatment)
- \* Dutch and sustainably grown
- \* Guaranteed true to name
- \* Good size roots
- \* Free from invasive weeds
- \* Professional photography available to customers for free
- \* Direct sales, no broker commission

Green Works also is MPS-A+ certified. With that certificate we show everyone that we are most environmentally friendly. With this certificate we would like to prove just how sustainable our work really is. And that is our top priority!

More information: [www.green-works.nl](http://www.green-works.nl)

## The Green Works Peony Truck

We can't make the Dutch roads faster, but we can make them more beautiful

### Green Works

Stolperweg 41  
1751 DH Schagerbrug

## Peony roots from our own nursery

Our peony roots are from our own nursery. We do not harvest any flowers from our plants. This way the energy goes back to the roots which gives you plants with more energy. We have many years of growing experience and therefore we can deliver top quality. With our growing experience we created a peony growing protocol, available to all customers of Green Works.

## Newsletter and promotion support

We publish a Green Works peony newsletter five times a year. Among other things it gives you relevant information about growing peonies, new developments and the introduction of new peony varieties. For our customers we have professional photography available. Feel free to contact us to discuss all the possibilities.

## Your complete source for Peonies

We have everything that you wish for in our assortment. Peonies for cut, pot, mail order, itoh Peonies and also tree Peonies.

## Visit our fields and our show garden

Our peony fields and show garden are a beautiful sight late in May and early in June. In those weeks the Peonies are flowering. Feel free to make an appointment to have a look at all the types and colors of our beautiful Peonies. Hundreds of varieties will be shown at this location in Schagerbrug, the Netherlands. You can travel easily to this location which is next to our office and warehouse.

## Planting peonies by our own machine

Using our own mechanical planting machine to plant peonies has multiple advantages. It will result in a higher productivity and it is better for a more evenly crop/root development. We use the machines ourselves, but we are also building and selling them. They are excellent for planting peonies. Please contact us if you are interested in buying one of our peony planting machines!

## New: Peony labels from Green Works

Green Works now also offers Peony labels. For every peony variety in our **whole** assortment. They are UV and water resistant and are made of recycled material. You can only order these labels with a stick and holder in combination with your peony order. The amount of peonies that you order is also the amount of labels that you can get. Height of the label: 19cm - 7,5". Width of the label: 17,5cm - 7".
