Green Works International

Green Works is the grower specialized in young planting material for Peonies, Ranunculus, special pot plants and summer cut flowers. Our assortment includes a large quantity of unique varieties. Green Works also supplies plants for the plant trade and –export. We have our own breeding location in Westland, the Netherlands. Green Works offers a total package to put an unique and healthy product on the market.

Growing support

For all products we have professional growing information available. We can also assist you during the growing of the products via our personal visits.

Peony labels

Green Works offers Peony labels for every variety in our whole assortment. These labels are UV and water resistant and made of recycled material. - You can only order these labels in combination with your peony order - Size of the label: - H: 19 cm - 7,5" - W: 17,5 cm - 7"

Promotional and marketing support

- Green Works has professional digital photography available for all products. For buyers this can be used free of charge on behalf of website, e-mail, printing matters, catalogues or other promotional material.
- On Social Media, we can assist customers or use our own instruments for support; www.instagram.com/green_works_international

Peony catalog

Green Works is a large grower of peonies for the cultivation for cut flower and trade, in the Netherlands and abroad. We supply young two year old and healthy planting material, true to variety and true to size. Our assortment is divided in the categories Paeonia for cut flower, Itoh Peony, Patio Peony and Grafted Tree Peony. For pot, cut and dry sale. An overview of our assortment can be seen in our special peony catalog. Our catalog can be found on our website, or we can send a digital copy of our catalog.

Ranunculus catalog

Green Works has a special catalog for our Ranunculus. In it we show our extensive assortment which is divided in the series Ranunculus Butterfly™, Ranunculus Romance™ and Novelties. The Butterfly™ variety is unique because of its single formed flowers and a single stem can carry twelve to fifteen flowers. And the Romance™ variety has very large flowers, long and strong stems and a good vase life. Also in this catalog we have beautiful high resolution pictures. Our catalog can be found on our website, or we can send a digital copy of our catalog.

Green Works' Peony / Ranunculus Trial garden

Our Trial Gardens in the Netherlands are a must-see! In Schagerbrug, the Peony Trial Garden bursts into color in late May and early June, showcasing hundreds of peony varieties in bloom. Meanwhile, our Ranunculus Trial Garden in Westland comes alive in early spring with a beautiful array of Ranunculus varieties. Both gardens are conveniently located, so feel free to make an appointment to visit and experience these stunning displays up close!
