'Your preferred young plants grower'

Green Works is a specialized grower of young planting material for Peonies, Ranunculus, special pot plants, and summer cut flowers. With our own breeding location in Westland, the Netherlands, we offer a complete package to deliver unique and healthy products to the market.

Our Peony Catalogue presents a wide range of premium varieties, from unique new introductions to beloved classics. Visit our Peony Trial Garden to experience their beauty and performance in full bloom from May to early June. Green Works offers vigorous young plants that ensure abundant flowering and excellent vase life.

Explore our Ranunculus Catalogue for top quality varieties bred for strength, color, and consistency. In our Ranunculus Trial Garden, you can see our selections in action in March and April, showcasing their impressive growth and bloom quality. Green Works provides dependable young plants for cut flower production.
